TSG Scuba Cylinder Storage Policy

TSG shall permit Cave Diving Group Members to store diving cylinders in the Chapel subject to the following limitations:

1. Only Diving Members of the CDG will be allowed to store diving cylinders at the Chapel.
2. Cylinders shall only be stored while the owner is staying in the Chapel.
3. All cylinders stored at the Chapel must be in test at all times.
4. Only the racking provided can be used for storage.
5. No cylinder stored in the Chapel will be filled to more than its working pressure.
6. Any cylinder stored in the Chapel which contains mixed gas will have the appropriate oxygen service status and be labelled with the cylinder contents.
7. All cylinders are to be identified with their owner's name, address and phone number.
